

# ROSHAN AFAZ F

STUDENT - INFORMATION TECHNOLOGY

## CONTACT

9489023538

afazfairoze@gmail.com

Namakkal

LinkedIn

GitHub

## SKILLS

- Programming skills:  
C,C++,Python,Java
- Libraries: React.js
- Frameworks:  
Node.js,Express.js
- Database:  
MySQL,MongoDB

## AREAS OF INTEREST

- Fullstack Development
- DBMS
- UI Design
- CyberSecurity

## SOFT SKILLS

- Creative Thinking
- Adaptability
- Teamwork

## LANGUAGES

- English(Fluent)
- Urdu (Fluent)
- Arabic (Basic)
- Tamil (Fluent)
- Hindi(Fluent)

## CAREER OBJECTIVE

"A self-driven and adaptable professional committed to growth, innovation, and making valuable contributions to any team or organization."

## EDUCATION

### Bachelor of Information Technology 2023-2027

- CGPA - 7.13 (Untill 5<sup>th</sup> semester)
- Kongu Engineering College

### XII Grade 2022-2023

- Percentage - 89
- SKV MATRICULATION HR SEC SCHOOL,M.KANDAMPALAYAM

## GLOBAL CERTIFICATION

- Oracle Apex Cloud Developer
- Orace SE17, Hands on Training Completed -Certification pending

## PROJECTS

### Video Dubbing WebApplication:

- A Video Dubbing Web Application that automatically extracts audio from a video, transcribes and translates it into the target language, and generates a dubbed version with synced audio. It enables seamless multi-language video localization through a simple web interface.
- <https://github.com/RoshanAfaz/VideoDubbingWebApplication>

### Language Translator:

- A Language Translator Application using Python's Tkinter and deep\_translator that allows users to translate text between multiple languages through a simple GUI. It provides an easy, fast, and interactive way to overcome language barriers.
- <https://github.com/RoshanAfaz/languagetranslatorapp>

### LinguaLearn:

- LinguaLearn, a web app for learning languages with interactive lessons and translations. It is built using React and MongoDB for easy use and smooth performance.
- <https://github.com/RoshanAfaz/LinguaLearn>

## PAPERS PRESENTED

- Presented a paper on "Ethical AI" at Coimbatore Institute of Tecnology, (Mechnotron 2024).
- Presented a project on "Video Dubbing WebApplication" at Ramakrishna Engineering College, (Mequest 2024).
